Outreach To The Vulnerable Team: How can we help with those who need shelter, warmth and food? By providing food items such as canned meat, peanut butter, energy bars, or other non-perishable items that take little or no preparation. As winter approaches warm clothing such as gently used blankets, winter coats, gloves, take them to the Arlington Community Resource Center. You can drop off these items at church from 9am to 2pm Monday to Thursday and I will take them to the Arlington Community Resource Center. For questions or more suggestions on how you can help please call me: Bob Zerbel (425) 239-1785. Thank you.

North Snohomish County Outreach (NSCO) Laundry Project: OSLC will provide "Grab and Go" meals for the Laundry Project on December 17th. Sharon Billdt and Beth & Greg Husted will prepare the meals. The Laundry Project continues to support many people in our community. It allows each participant to wash and dry one large load of laundry with out cost. Access to other social services are also available at each location. The North Snohomish County Outreach is thankful for the dedicated OSLC volunteers who participate each month. The bin for personal hygiene items will remain in the church narthex for your continued support.

Prayers of Concern and Thanks

Loving God, we remember that you are our source of life and hope: Remind us daily of who we are - and whose we are - your beloved children. Instill in us that each neighbor we meet is your beloved child as well: someone to learn from, someone to be cherished, someone to be treated with honor and respect, someone to be lifted up. Lead us to be your joy, grace, and love in your world. We pray for all the world's refugees and for peace in Ukraine & Gaza.
