February 16, 2024

Dear Preschool Families,

We at Our Saviour's Preschool strive to continually provide outstanding education opportunities for our students, while keeping costs affordable for families. The Preschool continues to search for grants and fundraiser opportunities to assist with classroom expenses as much as possible. However, in order to maintain our quality program, and offer our qualified staff a competitive wage, the Learning Center Board has approved a tuition increase for the 2024-2025 school year. As a result, tuition prices will now be \$280.00 per month for 3 Day students, \$230.00 per month for 2 Day students, and \$500.00 per month for 5 Day students. Sibling discounts will still apply.

With this increase in tuition, we will no longer be requiring May tuition payments in September. Each tuition payment will be due by the 10<sup>th</sup> of the month. Registration fees will remain at \$100.00. We are also increasing the amount of time students are in the classroom by 30 minutes, giving opportunities for more learning, playing, and one on one teacher interactions.

We understand the financial burden this could put on your family, and we do have a limited amount of tuition assistance available. Please reach out if you have any questions, concerns, or would like more information about tuition assistance.

Thank you for your understanding and we look forward to seeing you in the fall.
