Welcoming – Compassion – Serving – Respect – Encouraging

February 26, 2026

Dear Preschool Families,

We at Our Saviour's Preschool strive to continually provide outstanding education opportunities for our students, while keeping costs affordable for families. The Preschool continues to seek grant and fundraiser opportunities to supplement operating costs and to reduce classroom expenses as much as possible. However, in order to maintain our quality program, and offer our qualified staff a competitive wage, the Learning Center Board has approved a tuition increase for the 2026-2027 school year. As a result, tuition prices will now be \$310.00 per month for 3 Day students, \$260.00 per month for 2 Day students, and \$560.00 per month for 5 Day students. Sibling discounts will still apply.

Each tuition payment will still be due by the 10th of the month. Registration fees will remain at \$125.00. Payment plans can be made available, if needed.

In consideration of these increases, we have compared our new rates to other preschools in the region and find that our rates are very competitive and reflective of the quality educational programming we offer.

Finally, we understand the financial burden this rate increase may cause for some families. Tuition financial assistance is available, but is limited. Please reach out if you have any questions, concerns, or would like more information about tuition assistance.

Thank you for your understanding and we look forward to seeing you in the fall.
